CENTER LINE PUBLIC SCHOOLS

SCHOOL IMPROVEMENT BOND PROPOSITION

Shall the Center Line Public Schools, County of Macomb, State of Michigan, borrow the sum of not to exceed Forty-Four Million Nine Hundred Seventy Thousand (\$44,970,000) Dollars and issue its general obligation unlimited tax bonds therefor, in one or more series, for the purpose of paying for the cost of the following:

- Equipping and re-equipping school buildings for technology equipment and systems;
- Erecting, equipping and furnishing a new elementary school building and additions to school buildings;
- Remodeling, equipping, re-equipping, furnishing and re-furnishing school buildings, athletic fields, playgrounds and other facilities and the purchase of school buses; and
- Preparing, developing and improving sites at school buildings, athletic fields and playgrounds and the construction of an athletic field support building?

The estimated millage that will be levied to pay the proposed bonds in the first year is 4.78 mills (\$4.78 per \$1,000 of taxable value). The maximum number of years the proposed bonds may be outstanding, exclusive of refunding, is not more than thirty (30) years; and the estimated simple average annual millage that will be required to retire the proposed bonds over thirty (30) years is 7.98 mills annually (\$7.98 per \$1,000 of taxable value).

If approved by the voters the bonds will be guaranteed by the State of Michigan under Section 16 of Article IX of the State Constitution of 1963, as amended. If the School District borrows from the State of Michigan to pay debt service on the bonds under the State of Michigan's guarantee the School District may be required to levy debt mills beyond the term of the bonds to repay the State of Michigan.

(Pursuant to State law, expenditure of bond proceeds must be audited, and the proceeds cannot be used for teacher, administrator or employee salaries, repair or maintenance costs or other operating expenses.)

**CITY PROPOSAL
PUBLIC SAFETY MILLAGE**

Shall the limitation on the amount of taxes which may be imposed on taxable property in the City of Center Line, County of Macomb, Michigan be increased in an amount not to exceed 7.5 mils (\$7.50 per thousand dollars of the taxable value) for a period of ten (10) years, 2011 through 2020, inclusive, for the purpose of providing funds to the Department of Public Safety for operating expenses; for sworn public safety officers (police & fire), and support personnel; for capital requirements, including equipment acquisition; and for related program support for the Department of Public Safety? It is estimated that 7.5 mils would raise approximately \$1,400,633 when first levied in 2011.
