## Macomb County November 3, 2009 Election Precinct Reporting Details

This page contains information about when each jurisdiction reports results. "% In" shows the current number of precincts reporting for that jurisdiction. The "First Report" column shows when they reported the first set of results. When half of the precincts have reported, a timestamp will be recorded in the "50% Reported" column. Once all results are in, the "Results Final" column will be filled-in. You can re-sort the list by clicking any column header.
